Flash Free Download - Spencer's Scripts Red Guards Faction 2 manual EXTRACT: Page 1: Introduction The game shows, that the explanation of RFS2 is actually two games: If a player chooses to play campaign mode, he will play the story game, where he acts as a rebel and takes over the whole city. Page 2: Play the story game If a player chooses to play the free play game, he will play a third-person shooter, where he can select one of five characters to take over the city. Page 3: Games The free play mode is a variation of the original RFS2, which was a single-player shooter. It makes use of almost the same levels as the story mode, but the enemy races are different. Page 4: Credits Red Guards Faction 2 is a remake of Red Faction and is based on the game engine of Red Faction 1.2. The graphics were improved by upgrading the engine to Unity 5.0 and the controls were altered to work with the free play mode. Page 5: Game info The game was developed and published by the French game developer Volition, who also created the Shadowrun franchise. The game was released in 2011. The game takes place in a fictionalized version of Los Angeles, California, in the year 2027. It is set in a future where the United States was divided into two countries, the United States of America and the Alba Republic. The game takes place within the nation of the Alba Republic. The gameplay follows a third-person shooter format. The game offers five different protagonists, each of which acts as a playable character in the game. The main character is a member of the Republic's Army. This character is a demigod to the people of the Republic, who wants to overthrow the dictator Marcus Fitch, and to restore the republic to its former glory. The protagonist of the game is a member of the American resistance. He is an expert marksman, who fights against the Republic's army. The protagonist is a wanted criminal. If he is captured, he will have to be executed. The protagonist of the game is a member of the Republic's SWAT unit. He is the best of his unit and is a master of heavy weapons. The protagonist of the game is
